BACKGROUND INFORMATION

Partner country and Procuring Entity

The primary beneficiary for the consultancy is SADC Member States. The Procuring Entity is the SADC Secretariat.

Contracting authority

The Contracting Authority is SADC Secretariat.

Regional background

Gender based violence is a serious violation of human rights and a life-threatening issue primarily affecting women and children. It is well documented that GBV is a widespread socio-economic and development challenge that calls for adequate, appropriate, and comprehensive prevention and response. Gender based violence in general, and sexual gender based violence in particular, is especially problematic and complex in emergencies and natural disasters, where mostly women and children are vulnerable to exploitation, violence, and abuse.

The SADC Protocol on Gender and Development, 2008 (revised in 2016) is the first firm commitment by Member States towards addressing gender based violence (GBV) comprehensively. The Protocol identifies GBV among the priority areas of focus through its provisions under Articles 20 to 25.

The thematic programming area on capacity building of the SADC Regional Strategy and Framework of Action for Addressing Gender Based Violence, 2018 – 2030 highlights the need to address capacity of key programming areas, namely prevention, protection, care and support as well as knowledge management. It further also stresses the need to strengthen the capacity of key service providers, including the police, health and social workers, legal officers, civil society organizations (CSOs) and other stakeholders such as the media for the prevention and provision of quality and comprehensive services.

Capacity building at national level for key service providers remains a priority in addressing sexual and gender based violence in the SADC region. As such, and in line with the GBV Strategy, it is important that the skills of frontline officers and other key stakeholders are enhanced to ensure effective and efficient prevention and provision of comprehensive services. As such, this consultancy seeks the service of a team of two consultants to develop Regional gender based violence training guidelines.

Current situation in the sector

Recognising the efforts at national level in capacity development, there are varied gaps in terms of standardised training for service providers. In some instances, police and health personnel are more likely to receive training than other stakeholders such as judiciary and community-based workers, and this may only be centralised at certain districts/provinces. There are no mechanisms to ensure the standard, quality and consistency of training over time and between different stakeholders.

Capacity building at national level for key service providers remains a priority in addressing sexual and gender based violence in the SADC region. As such, and in line with the GBV Strategy, it is important that the skills of frontline officers and other key stakeholders are enhanced to ensure effective and efficient prevention and provision of comprehensive services. As such, this consultancy seeks the service of a consultant to develop Regional gender based violence training guidelines

Related programmes and other donor activities

This exercise forms part of the European Union (EU) funded “Support to Peace and Security in the SADC Region”, 11th EDF Programme, in particular the component on ‘strengthened SADC capacity to address the prevalence of sexual and gender-based violence’.

The consultant is expected to do a desk review of all relevant literature and training curricula on gender based violence internationally, continentally and regionally. The reference materials to be used by the consultant will be vetted by the Secretariat. Based on the review, the consultant is expected to develop a region-specific training guideline on gender based violence. The consultant is not expected to travel to the SADC

Member States. However, where needed, the consultant is encouraged to engage with Member States and key stakeholders virtually.

The draft Guideline will be validated by Member States and stakeholders, during a regional meeting, to be convened by the SADC Secretariat. Inputs and comments from the meeting will lead to the finalisation of the Draft Guidelines on GBV.

The Individual Consultant shall be informed of the specific requirements in relation to this, and at the request of the Procuring Entity (s)he shall allow access to information, records and other materials during normal office working hours as the Procuring Entity may require in order to confirm that the work in progress is in accordance with these quality procedures.

6. Compliance with this contract

The Procuring Entity will be entitled to seek confirmation from the Individual Consultant, at any time during the delivery of this contract, and for a period of 1 year after its completion, that the Individual Consultant has complied with the terms of this contract. It may also request the provision of reasonable documentary evidence to support this. As stated in article 2.3 of this Contract, the Procuring Entity may delay or withhold payments in the event of non-compliance.

7. Assignment and Subcontracting

- 7.1.** The Individual Consultant shall under no circumstances sub-contract, sub-let, assign or transfer the Contract or any part share or interest in it. Where the Individual Consultant considers it necessary to use the services of a third party, (s)he shall inform the Procuring Entity's Project Director in writing, and only once written approval is provided can the Consultant proceed to use a third party.

If the breach has not been remedied before the expiry of the specified period, the party not in breach may then terminate the Contract in writing and may take appropriate steps to remedy the breach.

Only if such confirmation has been provided, and written confirmation of its acceptance provided to the Individual Consultant by the Procuring Entity, will this remove the obligation to meet the requirements of clause 11.1 of this Contract in full.
- 10.4.** All insurances effected by the Individual Consultant shall be effected with an insurer of good repute and the Individual Consultant agrees to maintain

such insurances for a period of 1 year from the completion of the Services under this Contract so long as such insurance continues to be available upon reasonable terms at reasonable commercial rates failing which Procuring Entity shall be entitled to take out insurance itself to cover any potential liability to its own Procuring Entity in relation to the performance of the Services under this contract. The cost of such insurance shall be a debt immediately due from the Individual Consultant.

- 12.2.** If the Individual Consultant violates clause 12.1, then (s)he will automatically and legally be held to pay the amount estimated as the minimum reasonable damages resulting from a breach of confidentiality.
