Version 1.0

**SOUTHERN AFRICAN DEVELOPMENT COMMUNITY,
PLOT 54385 CBD
P/BAG 0095
GABORONE.
BOTSWANA**

MAY 2019

1. BACKGROUND

On 12 October, 2016 the African Union Commission (AUC) inaugurated the Julius Nyerere Peace and Security Building at the African Union Headquarters in Addis Ababa, Ethiopia. The building has enhanced the African Union's capabilities of discharging its mandate of promoting peace, security and stability in Africa.

The proposal to construct Mwl. Nyerere statue at the Peace and Security Building at the African Union Headquarters was primarily recommended by H.E Robert Mugabe, Former President of Zimbabwe during their 35th SADC Summit of Heads of States and Government which was held on August, 2015 in Harare, Zimbabwe. In this meeting, President Mugabe came up with a mechanism to honor the Legacy of the SADC Founding Fathers and he further urged SADC leaders to recognize the contribution made by the Founding Fathers to the Liberation of the Region and the Continent.

The Statue would go a long way in honoring the former Tanzanian President , Julius Nyerere's contribution to the Liberation of the Southern African Countries and his promotion of peace and security in Africa.

In line with the above, the Southern African Development Community (SADC) intend to appoint a reputable Sculptor Company to undertake the designs and construction of the said statue, at the Julius Nyerere Peace and Security Building at the African Union Headquarters in Addis Ababa, Ethiopia. This is an open tender to be advertised in all the 16 SADC countries. The statue will be erected in front of the Julius Nyerere Peace and Security Building at the African Union Headquarters in Addis Ababa, Ethiopia. The client will decide the exact location. The scope of work for this project is outlined in these Terms of Reference as follows:

2. CLIENT

The client is Southern African Development Community (SADC), an organization for economic Integration, comprising of 16 member states, whose headquarters are in Gaborone, Botswana

4. REPORTING

The sculptor will report to the project manager who shall have the responsibility of the administration of the project.

5. TERMS OF REFERENCE

The Sculptor will be engaged to design and construct the statue. The following are the specific tasks and scope of work to be done by the sculptor:

- a) To design the statue based on African Union Commission technical specifications as indicated in Annex 1 attached.

- b) To design the pedestal or the reinforced concrete foundation for the statue based on the African Union Specifications as Indicated in Annex 1 attached.
- c) To Construct three (3) Prototypes (miniature versions of the statue , each of approximately 30cm long)
- d) To construct the concrete foundation including excavations as per Annex 1 attached
- e) To construct and erect the statue
- f) To provide the duration of the project

6. SPECIFIC DETAILS TO BE CONSIDERED BY THE SCULPTOR

- a) Statue of His Excellency Julius Kambarage Nyerere at the time when he was actively engaged in African Liberation Movement (Mid 1960s to Mid 1980s).
- b) Over life size statue of His Excellency Julius Kambarage Nyerere holding his button (Kifimbo).
- c) Posture of Mwalimu in action.
- d) To come up with his/ her own impression of President Nyerere's attire relevant to the prescribed period.
- e) A statue should be a realistic representation of His Excellency Julius Kambarage Nyerere.
- f) The statue and the prototype should be bronze and the sculptor is to submit proof of authenticity to confirm that the material is bronze.
- g) The sculptor is to price for the construction of three (3) prototypes. The prototypes will be constructed one at a time, until the right version , representing

all the specified features of President Julius Nyerere is achieved. The right prototype must be approved by the client, before the sculptor is allowed to proceed with the major construction of the statue.

- h) The form of contract to be used in this project is the SADC Standard Contract for Construction works.
- i) The type of contract to be used in this project is Fixed Price Contract.

7. TENDER COMPLIANCE

The following documents shall constitute compliance requirements with the Terms of Reference and instructions to tender and must be submitted:

- a) Certificate of incorporation / Company registration
