5. **Supervision of the Services**

The Individual Consultant undertakes to deliver the Services in compliance with a system of quality assurance acceptable to the Procuring Entity which shall include any steps to comply with the standards operated by the Procuring Entity. The Individual Consultant shall be informed of the specific requirements in relation to this, and at the request of the Procuring Entity (s)he shall allow access to information, records and other materials during normal office working hours as the Procuring Entity may require in order to confirm that the work in progress is in accordance with these quality procedures.

6. **Compliance with this contract**

The Procuring Entity will be entitled to seek confirmation from the Individual Consultant, at any time during the delivery of this contract, and for a period of 1 year after its completion, that the Individual Consultant has complied with the terms of this contract. It may also request the provision of reasonable documentary evidence to support this. As stated in article 2.3 of this Contract, the Procuring Entity may delay or withhold payments in the event of non-compliance.

7. **Assignment and Subcontracting**

7.1 The Individual Consultant shall under no circumstances sub-contract, sublet, assign or transfer the Contract or any part share or interest in it. Where the Individual Consultant considers it necessary to use the services of a third party, (s)he shall inform the Procuring Entity’s Project Director in writing, and only once written approval is provided can the Consultant proceed to use a third party.

7.2 When the Project Director agrees that the activities under the contract can be performed by a third party, the third party involved in the delivery of services in this contract, will be under the direct control of the Individual Consultant. The Procuring Entity will not be responsible for the third party’s performance of duties or Services assigned to it, and neither for ensuring that conditions of employment are met nor for any other employment obligations relating to that person including, but not restricted to, taxation and insurance including professional indemnity insurance, employer’s liability insurance and public liability insurance.

8. **Breach of the Terms**

In the event of a breach of any Terms of the Contract, the party not in breach may serve a notice on the party in breach requiring the breach to be remedied within a period specified in the notice, not normally being longer than 30 days. If the breach has not been remedied before the expiry of the specified period, the party not in breach may then terminate the Contract in writing and may take appropriate steps to remedy the breach.

9. **Liability of the Individual Consultant**

9.1 The Procuring Entity will be relying on the Individual Consultant’s skills, expertise and experience in relation to the performance of the Services in accordance with this contract and also upon the accuracy of all representations and statements made and the advice given in connection with the provision of the Services.
9.2 In view of the reliance by the Procuring Entity set out in 9.1 above, the Individual Consultant agrees to indemnify at its own expense, protect and defend the Procuring Entity, its agents and employees, from and against all actions, claims, losses or damages arising out of the Individual Consultant's performance of this contract provided that:

a) the Individual Consultant is notified of such actions, claims, losses or damages not later than 30 days after the Procuring Entity becomes aware of them;

b) the ceiling on the Individual Consultant's liability to the Procuring Entity shall be limited to an amount equal to the contract value but such ceiling shall not apply to any losses or damages caused to third parties by the Individual Consultant's willful misconduct; and

c) the Individual Consultant's liability shall be limited to actions, claims, losses or damages directly caused by such failure to perform its obligations under the contract and shall not include liability arising from unforeseeable occurrences incidental or indirectly consequential to such failure.

9.3 At its own expense, the Individual Consultant shall, upon request of the Procuring Entity, remedy any defect in the performance of the services in the event of the Individual Consultant's failure to perform its obligations under the contract.

9.4 The Individual Consultant shall have no liability whatsoever for actions, claims, losses or damages occasioned by the Procuring Entity omitting to act on any recommendation, or overriding any act or decision of the Individual Consultant, or requiring the Individual Consultant to implement a decision or recommendation with which the Individual Consultant disagrees or on which (s)he expresses a serious reservation.

10. Insurance

10.1 The Individual Consultant must ensure that full and appropriate professional indemnity insurance and third party liability insurance, is in place for all Services provided.

10.2 The cost of such insurances will be covered from reimbursable expenses of the contract.

10.3 Where national requirements or practices provide for different regulations/practices concerning insurance, the Individual Consultant may provide written confirmation of all insurances held and a signed declaration that these are in line with regulations/practices in their country of operation. Only if such confirmation has been provided, and written confirmation of its acceptance provided to the Individual Consultant by the Procuring Entity, will this remove the obligation to meet the requirements of clause 11.1 of this Contract in full.

10.4 All insurances effected by the Individual Consultant shall be effected with an insurer of good repute and the Individual Consultant agrees to maintain such insurances for a period of 1 year from the completion of the Services under this Contract so long as such insurance continues to be available upon reasonable terms at reasonable commercial rates failing which Procuring Entity shall be entitled to take out insurance itself to cover any potential liability to its own
Procuring Entity in relation to the performance of the Services under this contract. The cost of such insurance shall be a debt immediately due from the Individual Consultant.

10.5 The provisions of this clause shall remain in full force and effect notwithstanding the completion of the performance of the Services hereunder and the satisfaction of all other provisions of this contract.

11. Copyright

11.1 Unless otherwise specified in the Contract, the title of the copyright and any other intellectual property rights arising out of the performance of this Contract shall be vested in the Procuring Entity which shall have the unfettered right to assign and grant sub-licenses in respect of the same. Except as permitted by the Terms of this Contract, the said materials shall not be reproduced or disseminated without proper consultation with, and written permission from, the Procuring Entity. This provision shall apply to the title to rights arising from the performance under this contract but shall not apply to the internal systems or rights in relation to the Individual Consultant’s own systems not created specifically for this purpose and where the same are an important part of the Services. The Individual Consultant shall grant a free and irrevocable license to the Procuring Entity and its assigns for the use of the same in that connection.

The Individual Consultant warrants that it is free of any duties or obligations to third parties which may conflict with this contract and, without prejudice to the generality of Term 9 above, agrees to indemnify the Procuring Entity against any and all actions, costs damages, direct, indirect or consequential, and other expenses of any nature whatsoever which the Procuring Entity may incur or suffer as a result of the breach by the Individual Consultant of this warranty.

12. Non-Disclosure & Confidentiality

12.1 The Individual Consultant will treat all information and results obtained in discharging the Services under this Contract as confidential and will not disclose by any means whatsoever such results or material to any third party without the prior written consent of the Procuring Entity and will only use such information for the purposes of this Contract. In addition, the Individual Consultant shall not make any communication to the press or any broadcast (including, but not limited to, inclusion of information on a website) about the Services without the prior written agreement of the Project Director.

12.2 If the Individual Consultant violates clause 12.1, then (s)he will automatically and legally be held to pay the amount estimated as the minimum reasonable damages resulting from a breach of confidentiality. This is without prejudice to the right of the Procuring Entity to demonstrate that a higher amount of loss has or may be incurred as a result of liabilities held by the Consultant in relation to the Procuring Entity.

13. Suspension or Termination

13.1 In response to any factors out of the control of Procuring Entity and/or to breaches of contract by the Consultant, the Procuring Entity may at any time, by giving 30 days’ notice in writing, terminate in whole or in part or suspend the Individual Consultant’s performance of the Services. In such event, the
Individual Consultant shall be entitled to payment pursuant to sub-clause 13.4 below. If such suspension continues for a period in excess of twelve months, then either party may terminate this contract forthwith by written notice to the other.

13.2 The Individual Consultant may also terminate the contract unilaterally, without providing any reasons for such decision, if (s)he gives a 30 days prior written notice to the Project Director.

13.3 In the event of early termination of the Contract under sub-clauses 13.1, 13.2 and 13.3 of this clause, the Individual Consultant shall be entitled to a fair and reasonable proportion of the fees payable for that part of the Services carried out up to the date of such termination or suspension but this shall not include any loss of profit or contracts or any other expenses, losses or claims arising out of such termination or suspension or consequential thereupon.

14. No Waiver

No forbearance shown or granted to the Individual Consultant, unless in writing by an authorized officer of the Procuring Entity, shall in any way affect or prejudice the rights of the Procuring Entity or be taken as a waiver of any of these Terms.

15. Variations

Any variation to these terms or the provisions of the Annexes shall be subject to a written Addendum and be signed by duly authorized signatories on behalf of the Individual Consultant and the Procuring Entity respectively.
