STAKEHOLDER CONSULTATIONS/ENGAGEMENTS

It is standard practice for interested and or concerned parties to an election to come together to share ideas and compare notes in various ways. As concerns the 2013 Zimbabwe Harmonised Elections, the SEOM engagements are on-going and the following are part thereof.

By invitation of the Zimbabwe African National Union Patriotic Front (ZANU PF), the SEOM Troika, accompanied by at least one or two observers from each of the SADC Member States Observers on the ground at the time as well as the SADC Secretariat had a meeting at the ZANU-PF Headquarters. The meeting was briefed by ZANU-PF Party Coordinator and Minister of Justice and Legal Affairs Mr Patrick Chinamasa on issues of interest and of concern to his party as concerns the 2013 Zimbabwe Harmonised Elections.
