- 1.3 The assignment shall be implemented in accordance with the phasing indicated in **the Data Sheet**. When the assignment includes several phases, the performance of the Bidder under each phase must be to the Procuring Entity's satisfaction before work begins on the next phase.
- 1.4 The Bidders must familiarize themselves with local conditions and take them into account in preparing their proposals. - 1.5 The Procuring Entity will provide the inputs specified in **the Data Sheet**, assist the firm in obtaining licenses and permits needed to carry out the services, and make available relevant project data and reports.
- 1.6 Please note that (i) the costs of preparing the proposal, including a visit to the Procuring Entity, are not reimbursable as a direct cost of the assignment; and (ii) the

Procuring Entity is not bound to accept any of the proposals submitted.
