The German International Cooperation (GIZ) supports the Gender Unit (GU), Industrial Development and Trade Directorate (IDT) and Directorate of Finance, Investment and Customs (FIC) of the Southern African Development Community (SADC) in the implementation of SADC strategies and programmes for industrialisation and women economic empowerment through the SADC/GIZ Project “Industrialization and Women Economic Empowerment” (IWEE).

IWEE aims to increase women owned businesses’ and female entrepreneurs’ participation in value addition for selected sectors/regional value chains (RVCs) of the SADC Industrialization Strategy and Roadmap (SISR). The consultant will be responsible for the design of an idea contest, including tasks such as conceptual groundwork and preparation of the contest, the development of a “roadmap” outlining the necessary processes and steps, the development of application packages and a marketing strategy, as well as recommending criteria of eligibility, selection criteria and an assessment grid.

Procedural questions

Please address any commercial, technical and procedural questions at an early stage. Questions will be answered if they are received at the latest five working days before the closing of the tender.

Evaluation of Offer

After the final technical evaluation, only the price offers of bids with 500 points and above will be opened and evaluated. Technical offers below 500 points will be considered as technically not acceptable.

The weightings are as below for Technical (T) and Financial (F);

T: 70%, the price offer and F: 30%. The following formula will be used:

$$\frac{\text{technical evaluation of bid} \times 70}{\text{technical evaluation of best bid}} + \frac{\text{most economical bid} \times 30}{\text{price of bid}}$$

The contract will be awarded to the bidder with the highest score (Technical plus Financial weighing), and in case of achieving the same score, a priority is given to the bidder who submitted the bid earlier. Contractual negotiations are generally commenced with the bidder achieving the highest score. Should these negotiations not be successful, the second highest scorer on the list shall be invited to commence negotiations.
