The German International Cooperation (GIZ) supports the SADC Organ Directorate – Peace, Security and Good Governance, in the implementation of The SADC Regional Indicative Strategic Development Plan (RISDP-2020-2030), SADC Protocol Against Corruption and SADC through the SADC/GIZ Project “Cooperation for the Enhancement of SADC Regional Economic Integration (CESARE) – Measure Peace, Security and Good Governance (PSGG)”.

To facilitate the implementation of the SADC Anti-Corruption Strategic Action plan for 2018-2022, the SADC Anti-Corruption Committee (SACC) was established under Article 11 of the Protocol. The SACC is tasked with guiding the implementation of the Action Plan and advice the SADC Organ Secretariat on the same.

It is against this backdrop, that GIZ CESARE-PSGG is looking for a contractor based in the SADC region to develop a SADC Regional Anti-Corruption Monitoring and Evaluation Framework. The overall objective of the assignment is to develop a framework for the SADC Region for reporting progress in Anti-corruption efforts within the framework of the SADC Protocol against corruption and the SADC Anti-Corruption Strategic Action Plan (2018-2022). The proposed assessment should propose the overall approach and methodology for Anti-corruption monitoring and evaluation taking into consideration of the Protocol against Corruption, the Strategic Anti-Corruption Action Plan and existing M&E policies in SADC. It is expected that the report will identify any gaps in the existing systems mainly at Member State level which will need to be addressed to enable effective integration with the Regional M&E framework.

For more detailed information please refer to the attached Terms of Reference and draft should you be interested in participating in the tender.

Alternative offers

No alternative offers are permitted.

Procedural questions

Please address any commercial, technical and procedural questions at an early stage. Questions will be answered if they are received at the latest five working days before the closing of the tender. Questions have to be raised *in writing, by email only* to:

Ms Dimpho Keitseng
fax +267-3959750 or
email: Dimpho.keitseng@giz.de

Non-compliance may result in your bid not being considered.

Evaluation of Offer

After the final technical evaluation, technical offers scored 500 points and above only their financial bids will be opened and evaluated. Technical offers below 500 points will be considered as technically not acceptable. The weightings are as below for Technical (T) and Financial (F);

T: 70%, the price offer and F: 30%. The following formula will be

used:
$$\frac{\text{technical evaluation of bid} \times 70}{\text{technical evaluation of best bid}} + \frac{\text{most economical bid} \times 30}{\text{price of bid}}$$

The contract will be awarded to the bidder with the highest score (Technical plus Financial weighing), and in case of achieving the same score, a priority is given to the bidder who submitted their bid earlier. Contractual negotiations are generally commenced with the bidder achieving the highest score. Should these negotiations not be successful, the second highest scorer on the list shall be invited to commence negotiations.

Date of decision to award contract

For procedural reasons, no information on the status of the evaluation will be given pending the decision on contract award. We would therefore ask you to refrain from making enquiries about this. **Only the winning bidder will be informed.**

Acceptance period and Commencement of work

Please note that you are bound by your bid for 90 days.

GIZ reserves the right to accept, reject and/or cancel any or part of the bid.

GIZ also reserves the right to cancel the bid entirely.

Yours truly,
