NUMBER ONE

<p>Nr.5</p>	<p>The prices should be quoted CIP (as per Incoterms 2010) in the local currency, including all duties attached to the sale (such as VAT, customs duties, etc.) and transport to the final destination. Please clarify what CIP is. Also indicate if this will be a once of supply and delivery or on an ongoing basis</p>	<p>1. “Carriage and Insurance Paid to (CIP)” means that the seller delivers the goods to the carrier or another person nominated by the seller at an agreed place (if any such place is agreed between parties) and that the seller must contract for and pay the costs of carriage necessary to bring the goods to the named place of destination. The buyer should note that under CIP the seller is required to obtain insurance only on minimum cover. Should the buyer wish to have more insurance protection, it will need either to agree as much expressly with the seller or to make its own extra insurance arrangements. 2. This will be a once off supply and delivery of Surgical Disposable masks.</p>
<p>Nr.6</p>	<p>Please note that the quote is acceptable following receipt of the N95/FF2 test report conducted in South Africa and acceptance of UNDP’s terms and conditions. Is this a local laboratory, from which every mask sold has to be approved from? Or a set of international certifications we need to submit. If it’s a local authority, are you as the customer seeking approval from the said laboratory or ourselves? Or the proposed product should be approved in advance?</p>	<p>Please conform to the specifications provided in the bidding document.</p>
<p>Nr.7</p>	<p>We have received one tender confirmation from SADC South Africa office as below, can you help verify this is the tender for South Africa only, or this tender is for SADC? Also, if we can to verify if this tender is true or not, any contacts we can contact in South Africa to verify it?</p>	<p>Our tender of supply and delivery for surgical disposable masks was advertised in the SADC Website and you can check the website (www.sadc.int) and go to opportunities, Procurement and lastly</p>
