Dear Sir/Madam,

The Southern African Development Community (SADC) Secretariat, the European Union (EU) and the German Federal Ministry for Economic Cooperation and Development (BMZ) are jointly supporting the “COVID-19-relevant Medical and Pharmaceutical Products” (CMPP), the Antiretroviral (ARV) and Leather regional value-chain (LVC) projects. These RVCs are part of the Joint Action “Support towards Industrialization and the Productive Sectors in the SADC region (SIPS) project

GIZ would like to commission consultancy services to carry out a feasibility study and business plan for Ondangwa Tannery, Namibia.

The objective of this project is to conduct a feasibility study of the Northern Tannery. Results from the study will help determine whether the project is achievable, financially sustainable, and beneficial in the long term to attract investors or stakeholders. In addition, the contractor is expected to present the feasibility study report, propose the most suitable legal entity formation and business plan to the Namibia National Farmers Union (NNFU) and Namibian Industrial Development Agency (NIDA) in a workshop.

The Joint Action SIPS is therefore inviting interested competent and regional qualified individual consultant with experience in conducting feasibility studies, developing business plans and private sector development to apply for this regional assignment. The consultant must be based in the SADC region

Procedural questions

Please address any commercial, technical and procedural questions at an early stage. Questions will be answered if they are received at the latest five working days before the closing of the tender. Questions must be raised in writing, by email to: **BW_Quotation@giz.de**

Non-compliance may result in your bid not being considered.

Evaluation of Offer

After the final technical evaluation, only the price offers of bids with 500 points and above will be opened and evaluated. Technical offers below 500 points will be considered as technically not acceptable.

The weightings are as below for Technical (T) and Financial (F);

T: 70%, the price offer and F: 30%. The following formula will be used:

$$\frac{\text{technical evaluation of bid} \times 70}{\text{technical evaluation of best bid}} + \frac{\text{most economical bid} \times 30}{\text{price of bid}}$$

The contract will be awarded to the bidder with the highest score (Technical plus Financial weighing), and in case of achieving the same score, a priority is given to the bidder who submitted their bid earlier. Contractual negotiations are generally commenced with the bidder achieving the highest score. Should these negotiations not be successful, the second highest scorer on the list shall be invited to commence negotiations.

Date of decision to award contract

For procedural reasons, no information on the status of the evaluation will be given pending the decision on contract award. We would therefore ask you to refrain from making enquiries about this. Only the winning bidder will be informed.

Acceptance period and Commencement of work

Please note that you are bound by your bid for 90 days.

GIZ reserves the right to accept, reject and/or cancel any or part of the bid.

GIZ also reserves the right to cancel the bid entirely.

Yours truly,
